OMA-006 QUALITY POLICY

Organisational Management Policy
Quality Manual Clause(s): 5.2.1
Version: AA

Policy:

Hydrilla Pty Ltd has committed to pursuing excellence in all aspects of the Company's business and has established a Quality System for construction and related activities to attain the following objectives:

- A. To achieve and sustain the quality of product and service which continually meet our Customers' stated or implied need.
- B. To provide confidence to our Customers that the intended quality will continue to be achieved in the delivered product.

The Quality System developed encompasses all the processing and supportive activities, inclusive of all work methods, to ensure the policies and procedures established are sustained and continually reviewed for their effectiveness.

It is the responsibility of each Hydrilla employee to ensure that work quality is implemented as the prime objective of all activities performed and is following the specifications established.

In the event of any problems occurring, irrespective of their severity, they are to be addressed and corrected promptly with the appropriate technical expertise and efficiency as provided for within the company structures.

The Hydrilla Pty Ltd Quality Management System has been developed following **ISO 9001:2015 Quality Management Systems – Requirements**

The signature below indicates the SWPS Quality Management System has been reviewed and approved for its intent and implementation
