2024 Swimming Pool and  
Spa Association  
Awards for Excellence Results

The annual Swimming Pool and Spa Association (SPASA) Awards for Excellence offers the Aquatic Industry an opportunity to showcase our work to peers and clients, gaining recognition for outstanding projects, workmanship and customer service at both State and National levels.

*"The SPASA Awards of Excellence are the swimming pool and spa industry's most prestigious awards, attracting entries from every region in Australia and showcasing achievements in construction, design, manufacturing, supply, products, retail and service.*

*The annual awards acknowledge the best, boldest and most creative in the swimming pool and spa industry. Regional winners from across the country compete for Australia's top prize of national winner in each category: the ultimate recognition as leaders in their field."*

Lindsay McGrath  
CEO, SPASA Australia

# Cowell Foreshore Redevelopment

**Category:** Community Project  
**Result:** Gold Winner - South Australia;  
Gold Winner - National

The Foreshore Splash Park in Cowell stands as a shining example of excellence in commercial construction, demonstrating creativity, exceptional water quality, and a strong commitment to environmentally sustainable practices.

The park has not only enhanced the livability of the region but has also become a major tourist attraction.

## Gawler Aquatic Centre

**Category:** Commercial Renovation  
**Result:** Gold Winner - South Australia;  
Finalist - National

Hydrilla's longstanding working relationship with Gawler Aquatic Centre made them the favourable choice for this renovation project. While the upgrades aren't aesthetic and thus not visible to the patrons, the improvement in water quality will be dramatic, ensuring many more days in the pool to come.

## SWELL Palmerston

**Category:** Commercial Pool (Aquatics) over \$1 Million

**Result:** Gold Winner - Northern Territory;  
Gold Winner - Commercial Project of the Year - Northern Territory  
Gold Winner - National

Hydrilla's work at SWELL in the City of Palmerston exemplifies their position as a leader in the swimming pool and aquatic development space. Myrtha's RenovAction technology was utilised to create and enhance a facility that will serve the community for decades to come.
